

Jonny is an experienced Clapper Loader within Commercials, TV Drama and Feature Films. In previous years Jonny was an accomplished Outside Broadcast Camera Operator having started his professional venture in live sports and events for television across the globe. He has experience working as a Camera Technician at a camera rental house where he has been able to keep up to date with the latest camera systems and grip. It also means his ability to problem solve and fault find is invaluable on set. A team player with an adaptable skill set, Jonny has found himself on set providing dailies in Focus Pulling and DIT roles.
